Esri resources for your organization .....	v
--	---

## Course introduction

Course introduction.....	1
Course goals .....	1
Installing the course data .....	1
Icons used in this workbook.....	2

## 1 Introduction to ArcGIS Enterprise

Lesson introduction .....	1-1
What is ArcGIS Enterprise? .....	1-2
Portal access and privileges .....	1-6
Explore user types and roles.....	1-8
Geospatial analysis in ArcGIS Enterprise .....	1-9
Exploring the ArcGIS Enterprise portal.....	1-10
Identify ArcGIS Enterprise content.....	1-11
Lesson review .....	1-12
Answers to Lesson 1 questions.....	1-13

## 2 Analysis using Map Viewer in ArcGIS Enterprise

Lesson introduction.....	2-1
Creating and adding content.....	2-2
Sharing content to ArcGIS Enterprise.....	2-4
What is Map Viewer in ArcGIS Enterprise? .....	2-5
Use Map Viewer for geospatial analysis .....	2-6
Custom geoprocessing tools.....	2-7
Exercise 2A: Create a web map .....	2-8
Publish a web map.....	2-9
Add content to a web map .....	2-10
Determine departure time .....	2-12
Display air support range .....	2-15
Real-time and near-real-time data .....	2-21
Exercise 2B: Add near-real-time data to your map .....	2-22
Add weather layers .....	2-23
Organize layers in your web map.....	2-24
Set refresh intervals .....	2-26
Lesson review.....	2-27
Answers to Lesson 2 questions .....	2-28

## 3 ArcGIS Web AppBuilder

Lesson introduction.....	3-1
ArcGIS Enterprise web apps.....	3-2
What is ArcGIS Web AppBuilder? .....	3-3
Creating a web app with Web AppBuilder .....	3-4

Explore Web AppBuilder widgets.....	3-5
Components of a web app.....	3-6
Exercise 3: Create a web app using Web AppBuilder.....	3-7
Create a web map.....	3-8
Create a web app.....	3-8
Choose a theme.....	3-11
Choose a web map.....	3-12
Choose widgets.....	3-13
Choose attributes.....	3-15
Test the functionality of the web app.....	3-16
Lesson review.....	3-21
Answers to Lesson 3 questions.....	3-22

## 4 ArcGIS Dashboards

Lesson introduction.....	4-1
What is ArcGIS Dashboards?.....	4-2
ArcGIS Dashboards elements.....	4-3
Explore dashboard elements.....	4-4
Configure a dashboard.....	4-5
Exercise 4: Create an ArcGIS dashboard.....	4-6
Create a dashboard.....	4-7
Configure a map element.....	4-8
Add a serial chart.....	4-10
Add a list element.....	4-15
Add a side panel.....	4-17
Configure the dashboard layout.....	4-19
Update the dashboard with field reporting.....	4-20
Lesson review.....	4-22
Answers to Lesson 4 questions.....	4-23

## 5 ArcGIS StoryMaps

Lesson introduction.....	5-1
What is ArcGIS StoryMaps?.....	5-2
ArcGIS StoryMaps collections.....	5-3
Authoring a story.....	5-4
Components of a story.....	5-5
Explore a story.....	5-6
Using ArcGIS StoryMaps.....	5-7
Exercise 5: Create a story.....	5-8
Create a story.....	5-9
Add narrative text.....	5-9
Add a virtual tour.....	5-10
Add a slide.....	5-12
Lesson review.....	5-14
Answers to Lesson 5 questions.....	5-15

## 6 ArcGIS Experience Builder

Lesson introduction.....	6-1
What is ArcGIS Experience Builder? .....	6-2
Creating a web experience .....	6-3
ArcGIS Experience Builder components.....	6-4
Explore ArcGIS Experience Builder widgets .....	6-5
Exploring web experiences.....	6-6
Using ArcGIS Experience Builder .....	6-7
Exercise 6: Create an ArcGIS web experience .....	6-8
Create a web experience .....	6-9
Configure a header .....	6-9
Add a web map .....	6-11
Add a story.....	6-13
Add a dashboard.....	6-15
Publish a web experience .....	6-17
Lesson review.....	6-19
Answers to Lesson 6 questions .....	6-20

## 7 Using ArcGIS Enterprise

Lesson introduction.....	7-1
ArcGIS Enterprise apps .....	7-2
Choosing the appropriate app.....	7-4
Using ArcGIS Enterprise apps.....	7-6
Lesson review.....	7-7
Answers to Lesson 7 questions .....	7-8
